Dear Mark

Request for a cash equivalent transfer value

Thanks for contacting us. As requested, the cash equivalent transfer value of your Nest retirement pot is 31981.89 as at 02 December 2025.

Please note that the value of your retirement pot will change as the value of the underlying investments held changes and as any further contributions are made. If you decide to transfer your retirement pot to another provider, the amount transferred will reflect the value of your retirement pot at that point.
